about me

Hello, my name is Carolyn Battenberg. I am a graphic designer based out of Brooklyn, NY. I graduated Magna Cum Laude from Kent State University with a Bachelor of Science in Fashion Merchandising and a minor in Fashion Media.

I work with fashion, beauty, lifestyle, and luxury brands to create thoughtful and unique designs and content that will reflect their brand's image and values.

I am experienced in Adobe Creative Suite programs such as Photoshop, Lightroom, Acrobat, Premiere Pro, Illustrator, and InDesign. I am also proficient in design programs like Canva and Figma.

ADVERTISEMENT & INSTAGRAM GRID

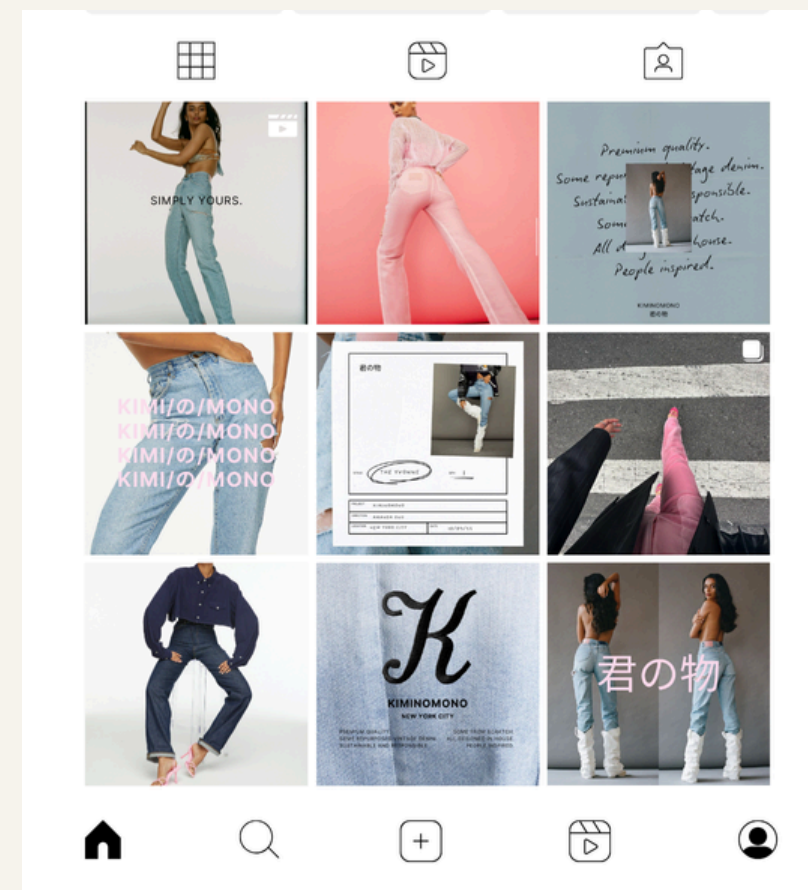

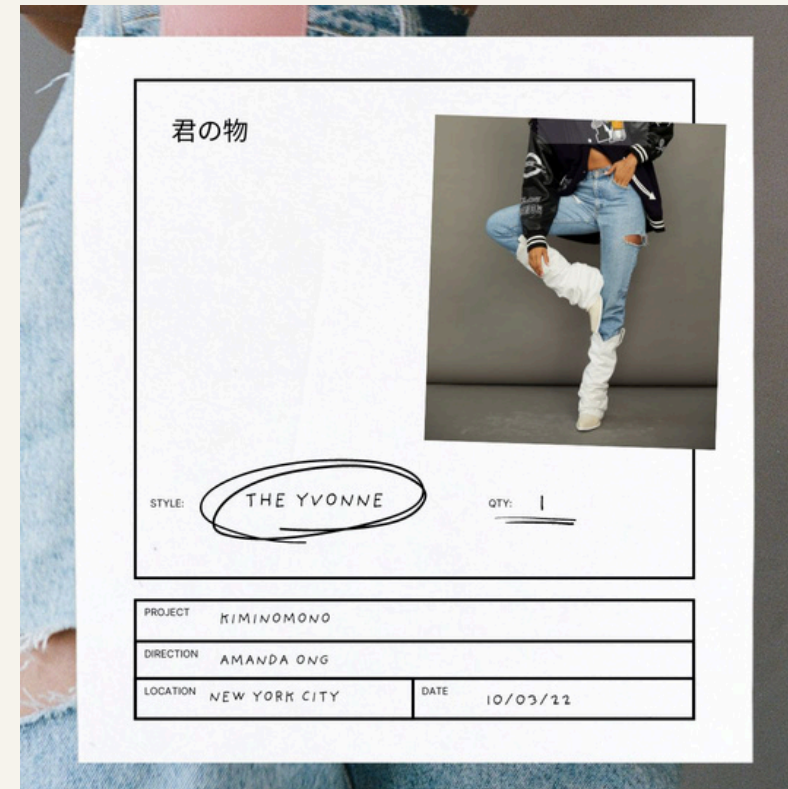

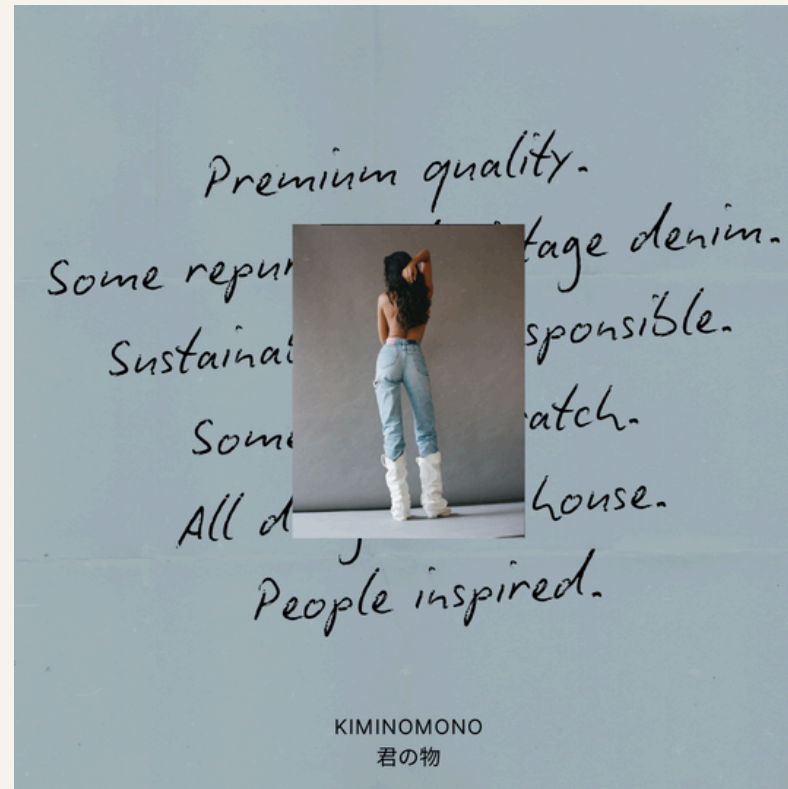

kiminomono

These advertisements were created for Kiminomono's Instagram advertisement campaign.

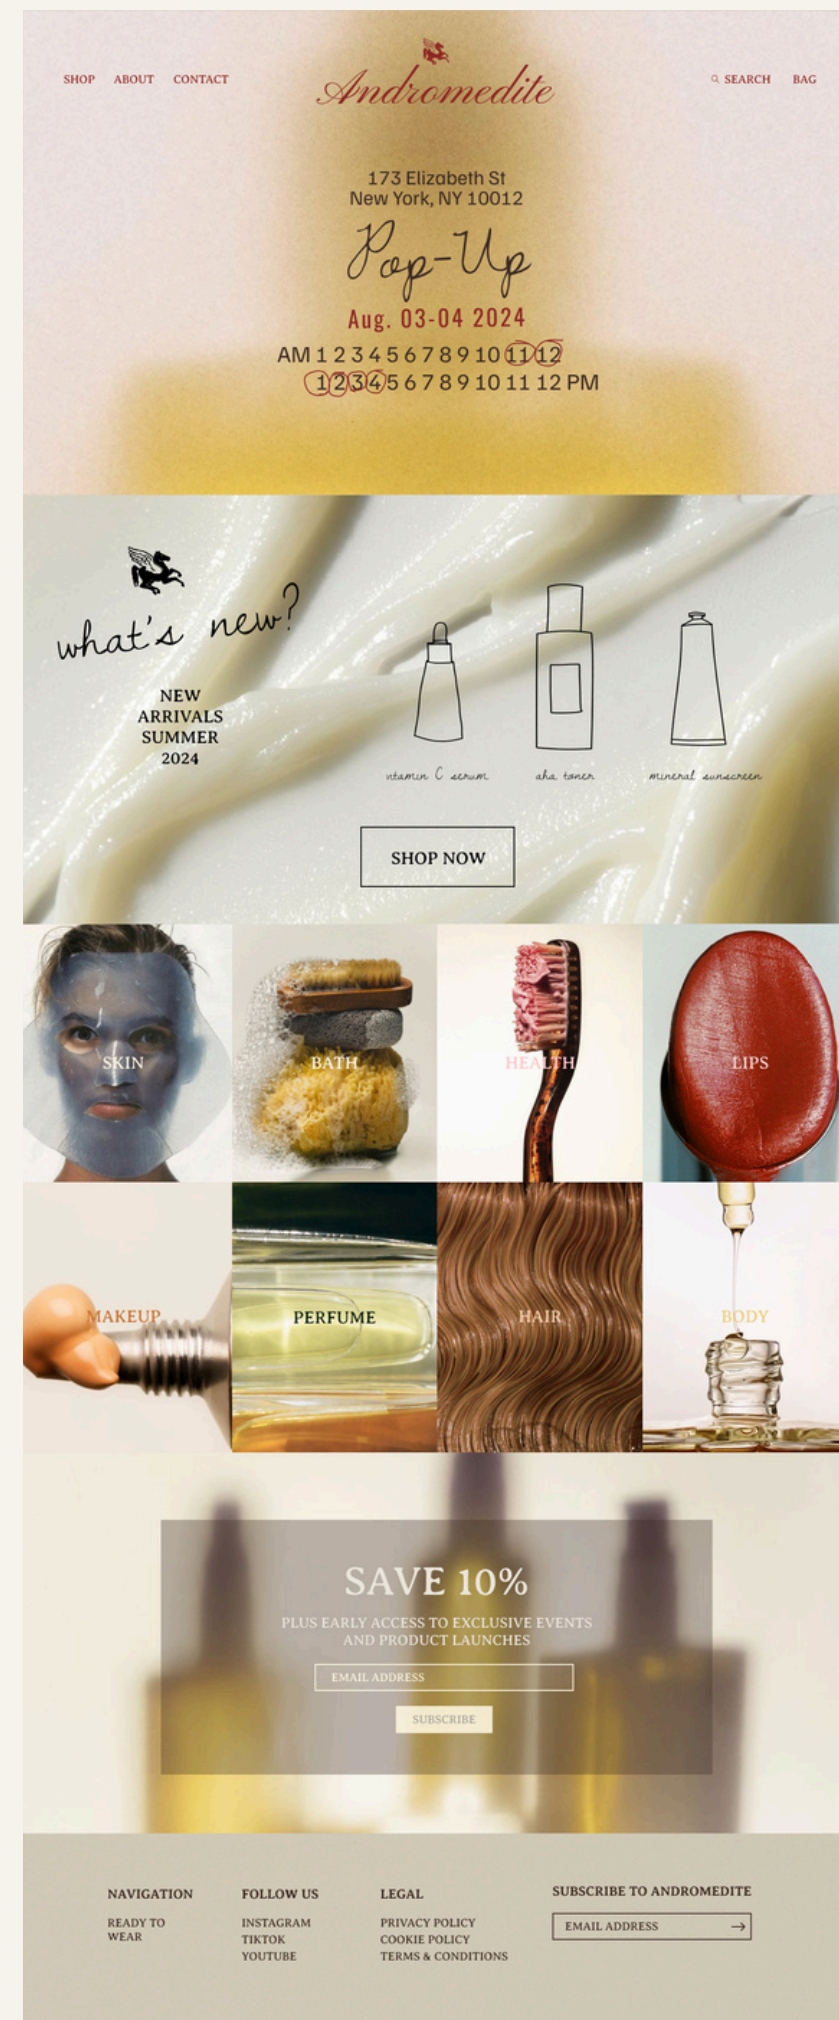

Inspired by personalized items like handwritten notes, order forms, and embroidery, these were created to convey the care and personalization that is put into every order.

Kiminomono's social media focuses on uniqueness and the personalization aspects of the brand. Each pair of jeans is unique and specially made to order, which should be reflected in their branding.

The color palette focuses on denim and feminine pops of pink while using modern typography.
